Well your waiting days are over! Now you can download Swords and Sandals 2 for free onto your Mac or PC, and play it at home or on the go. Just visit swordsandsandals2.com and click the download link, then it's just a matter of following the instructions to install. Sword and Sandal II is a 3D turn-based fighting game that allows players to fight against opponents in single player mode or against other online opponents across the world, with a variety of challenges setting each round of combat apart from the next. You will learn to use all five races as weapons as you face off against powerful enemies with an arsenal of hundreds of unique combos... This sequel to the critically acclaimed Sword and Sandal II introduces a new class of warrior, the Braves, who are powerful in their own right, but have a special ability for when they gain special "Braves" bonuses. Four new classes from which you can choose: Brawler, Valkyrie, Paladin and Barbarian. With thirteen different races and thirteen different players online to fight with at any given time, you will never get bored. Sword and Sandal II is far more than just a fighting game; it is an online gaming community that will keep players coming back for years. The game's depth includes many dozens of customization options, allowing players to personalize their characters with over 12 million different possible combinations. Each character also has the ability to unlock special abilities and spells, including fireball attacks, invisibility and even greater combos. There are a variety of speeds for each player match allowing beginners to play against more experienced fighters. Swords and Sandals 2 is available through Steam for Mac OS X, Windows, Linux and Android/iOS systems in English, French, Italian, German and Spanish. Reviews PC Game Reviews Console Reviews
